11th Annual Neonatal Advanced Practice Conference

Overview, Target Audience and Learner Outcome

This virtual conference combines clinical presentations, as well as reviews of available evidence for current practice strategies related to the anticipation, recognition, assessment, stabilization, and acute and long-term care of the neonate. This conference will be of interest to NNPs, NICU nurses, neonatal providers and other staff involved in the care of NICU patients. At the conclusion of this event, the participant will report increased knowledge and intent to change practice related to best-practice and innovative solutions for patient care in the NICU.

Learning Objectives

- Discuss the current evidence related to COVID-19 infection and vaccination in pregnancy, the neonatal period, and breastfeeding.
- Define key terminology relevant to transgender and gender expansive healthcare.
- Describe limitations in available evidence for the effects of perinatal marijuana use, and current recommendations for clinical care of mothers and newborns with marijuana exposure.
- Discuss the real evidence behind common vaccine related controversies encountered in the NICU.
- Describe new care models for the care of opioid exposed newborns.
- Discuss the physiology and updates in therapy following hypoxic ischemic encephalopathy.

Continuing Education Credit

Medical: Children's Hospital Colorado is accredited by the Accreditation Council on Continuing Medical Education to provide continuing medical education for physicians.

Children's Hospital Colorado designates this Other activity (Internet Live Course) for a maximum of 6.25 AMA PRA Category 1 Credit(s)[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Nursing: Children's Hospital Colorado is approved as a provider of nursing continuing professional development by Colorado Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. This educational offering for 6.25 nursing contact hours is provided by Children's Hospital Colorado.

Registration, attendance, and completion of the online evaluation are required for successful completion. Claim only the hours you attend. A certificate of attendance will be available for printing upon completion of the online evaluation.
