- October 19th - Facilitated by Laura Rochford, MD 10:30 a.m.-11:30 a.m. via Zoom
- December 21st - Facilitated by Patrick Mahar, MD 10:30 a.m.-11:30 a.m. via Zoom

Course Overview, Target Audience and Learner Outcome

This educational activity is presented for all Anschutz Emergency Department staff. It provides an opportunity for in-depth exploration of caring for critically ill patients, such as those requiring intubation or resuscitation, utilizing video review of actual cases. The purpose of this event is to provide the knowledge and tools necessary to improve outcomes for these patients. At the conclusion of this event, participants will self-report increased knowledge related to caring for critically ill patients.

Objectives

During each session, faculty and participants will:

- Discuss resuscitation equipment and resources
- Review essential skills
- Identify at least one new skill to put into practice

Continuing Education Credit

Registration, attendance, sign-in and submission of the evaluation, including a written response to questions related to any change in practice that you may make as a result of learning that took place at this activity, are required for successful completion and receipt of the certificate of attendance.

Children's Hospital Colorado is approved as a provider of nursing continuing professional development by Colorado Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. This offering for 1 nursing contact hour is provided by Children's Hospital Colorado.

Disclosure for Conflict of Interest

None of the planners or faculty for this educational activity have relevant financial relationship(s) to disclose with ineligible companies whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients.

Registration and Contact Information

There is no fee to attend this educational activity. Registration is required via the CHCO Continuing Education platform and will take place at the start of the session. For questions and more information, contact Stacey Coss RN, CNIV Anschutz Emergency Department stacey.coss@childrenscolorado.org
