Advanced Practice Provider/Registered Nurse Course

Overview and Target Audience

This course will provide a comprehensive overview of the acute and chronic management of patients with congenital colorectal conditions. This is a virtual event designed for pediatric nurses, nurse practitioners, physician assistants and physicians caring for patients with congenital colorectal conditions.

Presented by: Amy Krause RN, Annie Merritt RN, Hope Simmons NP, and Julie Schletker NP from the International Center for Colorectal and Urogenital Care at Children's Hospital Colorado

Objectives

- Identify the principles of the diagnosis and management of congenital anorectal malformations.
- Describe the concepts of surgical management of anorectal malformations.
- Determine mental health and social considerations for patients with congenital colorectal conditions.
- Recognize key components of inpatient preoperative and postoperative care for patients undergoing pediatric colorectal surgery.
- Review acute pain management techniques following colorectal surgery.
- Summarize renal and urologic considerations for patients with anorectal malformations.
- Recognize bowel management strategies including laxatives and enemas and identifying when each type of bowel management is indicated.
- Identify stoma care techniques.

Learner Outcome

At the conclusion of this event, participants will be able to report increased knowledge on new and current evidence-based practices in the surgical management of patients with congenital anorectal malformations.

Continuing Education Credit

Medical: Children's Hospital Colorado is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Children's Hospital Colorado designates this Other activity (Internet Live Course) for a maximum of 6.75 *AMA PRA Category 1 Credit(s)*™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Nursing: Children's Hospital Colorado is approved as a provider of nursing continuing professional development by Colorado Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

This educational offering for 6.75 nursing contact hours is provided by Children's Hospital Colorado. A certificate of attendance will be available upon return of the completed evaluation at the conclusion the three days.

Others: A general certificate of attendance will be available for all other care providers.
