

# AAP Colorado's Annual CME Conference 2022

**Virtual presentation from Children's Hospital Colorado  
Friday, April 8, 2022  
8AM to 4PM**

## *Overview and Target Audience*

*AAP Colorado's Annual CME Conference is a full-day virtual event designed to address clinical issues relevant to primary care pediatric clinicians, family medicine clinicians, and other health care professionals. The format includes interactive case-based discussions and time for questions and answers. Technology will allow audience participation. This year's conference will be informative, collaborative, stimulating, and in a format constructed to make learning stick.*

Registration hosted [here](#):
