

66TH PEÑA COURSE

Workshop for the Surgical Treatment of Colorectal Problems in Children

A comprehensive surgical and management workshop

March 31 – April 1, 2022

Hosted Virtually

Provided by

International Center for Colorectal and Urogenital Care

Children's Hospital Colorado
Anschutz Medical Campus
13123 East 16th Avenue
Aurora, Colorado 80045

Children's Hospital Colorado

Affiliated with
University of Colorado
Anschutz Medical Campus

Overview

This course is designed for pediatric surgeons, urologists, gynecologists and gastroenterologists, as well as advanced practice providers and pediatric nurses managing patients with colorectal and urogenital conditions.

This course will show previously recorded and/or video operative demonstrations, what we believe are the most important surgical/technical maneuvers to be performed during the repair of anorectal malformations and Hirschsprung's disease. View three carefully selected operations (one per day).

Learner Outcome

Participants will report increased knowledge of pertinent clinical conditions of pediatric patients with a colorectal malformation.

Objectives

- Review the principles of diagnosis and management of anorectal defects
- Discuss the challenges of short-and long-term postoperative care
- Explain the principles of treatment of Hirschsprung's disease and related disorders
- Describe the diagnosis of Hirschsprung's disease and idiopathic constipation and the difference in their management
- Recognize indications for reoperative surgery
- Discuss management of associated urologic and gynecologic problems
- Review the comprehensive management approach to cloacal exstrophy
- Outline the use of the posterior sagittal approach for a variety of conditions

This two-day intensive teaching course will examine the surgical treatment and management of pediatric colorectal and urogenital surgical problems including:

- Previously recorded and/or video demonstrations and discussion with faculty experts
- Methods of evaluation of surgical techniques
- Anorectal malformations
- Cloacal malformations
- Cloacal exstrophy
- Prognosis of these deformities
- Hirschsprung's disease
- Idiopathic constipation

Continuing Education Credits

Medical: Children's Hospital Colorado is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Children's Colorado designates this other activity (Internet live course) for a maximum of 12.25 AMA PRA Category 1 Credit(s).™ Physicians should only claim credit commensurate with the extent of their participation in the activity.

Nursing: Children's Colorado is approved as a provider of nursing continuing professional development by Colorado Nurses Association, an accredited approver by American Nurses Credentialing Center's Commission on Accreditation.

This educational activity for 12.25 nursing contact hours is provided by Children's Colorado.

Other: A general certificate of attendance will be provided for all other healthcare providers.

Registration Fees

No fee to participate, however, registration is required to evaluate and obtain professional credit. Registered participants will be provided with access links 1-3 days prior to the event, with instructions to validate virtual attendance at the conference.
