

Hirschsprung Disease Course

Led by Luis De La Torre, MD, Alberto Peña, MD, and Andrea Bischoff, MD, renowned pediatric surgeons from the International Center for Colorectal and Urogenital Care at Children's Hospital Colorado.

August 10-11, 2022

Hosted Virtually 8:00 am - 1:45 pm

Presented by

International Center for Colorectal and Urogenital Care at Children's Hospital Colorado

Overview and Target Audience

Hosted virtually. This two-day intensive course is designed for pediatric surgeons, fellows, gastroenterologists, pediatricians, pathologists, radiologists as well as pediatric nurses managing patients with colorectal problems. This course will teach "State of the Art" and important technical details for the successful diagnosis, treatment, and post-operative care for Hirschsprung's disease patients.

Learner Outcome

After attending this event, participants will report increased knowledge of pertinent clinical conditions seen in pediatric patients with a Hirschsprung disease and relate any intended changes in practice that may be made as a result of the learning that took place at this activity.

Educational Objectives:

- Review the principles of diagnosis and management of Hirschsprung disease.
- Discuss the challenges of a primary pull-through vs staged pull-through.
- Describe the importance of the anal canal in patient with fecal incontinence and colitis after the repair of Hirschsprung.
- Recognize the contribution of a frozen section biopsy and paraffin-embedded biopsy in the diagnosis of Hirschsprung and the "Transitional Zone".
- Review the comprehensive post-operative management of Hirschsprung Disease.
- Explain the use of the transanal approach for different colorectal conditions.

Continuing Education Credit

Medical: Children's Hospital Colorado is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Children's Colorado designates this other activity (Internet live course) for a maximum of 7.5 AMA PRA Category 1 $Credit(s)^{TM}$. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Nursing: Children's Hospital Colorado is approved as a provider of nursing continuing professional development by Colorado Nurses Association, an accredited approver by American Nurses Credentialing Center's Commission on Accreditation. Nurses should only claim credit commensurate with the extent of their participation in the activity.

This educational activity for 7.5 nursing contact hours is provided by Children's Hospital Colorado.

Other: A general certificate of attendance will be provided for all other participants.

Register Early!

childrenscolorado.org/ce

Registration Fees

Registration, evaluation, and crediting are hosted by Children's Hospital Colorado.

Enrollment closes on August 8.

Registration, attendance, and completion of the online evaluation are required for successful completion. Claim only the hours you attend. A certificate of attendance will be available for printing upon completion of the online evaluation.

International Guests: Mobile number is not required to participate.

Day of the event:

- 1. Please check in with desktop code to your attendance at the course https://ce.childrenscolorado.org.org/Code
- 2. After the course, complete the evaluation for credit.
- Attendance check-in is required to complete the evaluation within 14 days. Please participate with the course timelines.

Virtual Access

Links will be provided to registered participants 1-3 days before the event. Please log in thirty minutes early (MST) to allow plenty of time to accommodate network traffic.

Location

This conference will be hosted virtually.

Further Information

If you have questions or to request arrangements to accommodate a disability, please contact Shaun Ayon at shaun.ayon@childrenscolorado.org or 720-777-2700.

Acknowledgement

We wish to thank The Hendren Project for hosting the virtual connection for the course.

We hope to see you at the live conferences in 2023!
