11th Annual Updates in Pediatric Clinical Nutrition Conference

Overview, Target Audience and Learner Outcomes

This conference is intended to present the most current research and application for practitioners interested in current topics in pediatric clinical nutrition.

Objectives

Following the presentations, attendees should be able to:

- Recognize common eating behavior challenges and micronutrient deficiencies in youth with Autism Spectrum Disorder and Intellectual/Developmental Delay.
- Identify multidisciplinary strategies used to treat patients with complex disorders of gut brain interactions.
- Identify challenges associated with assessing nutritional status, treating eating disorders and creating a nutrition environment for transgender youth.

Continuing Education Credit

Upon completion of the evaluation, a certificate of attendance will be provided.

Medical: Children's Hospital Colorado is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Children's Hospital Colorado designates this activity for a maximum of 6 *AMA PRA Category 1 Credit(s)*[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity.
