Overview, Target Audience and Learner Outcome

Each 2023 Target Zero Forum presentation will provide data, examine actual CHCO safety events, and explore best practices and cause analysis for CHCO employees, faculty, fellows and residents. The Learner Outcome for each participant is to implement safety practices in one's daily work to reduce preventable harm in an ever-changing healthcare environment.

Objectives

- Examine strategies to identify and reduce preventable harm at Children's Hospital Colorado.
- Describe the key success factors for reductions in harm.

Continuing Education Credit

Registration and completion of the online evaluation within seven days after each presentation is required to receive CE credit.
