Overview and Target Audience

AAP Colorado's Annual CME Conference is a full-day event that can be attended either in-person OR virtually. The conference is designed to address clinical issues relevant to primary care pediatric clinicians, family medicine clinicians, and other health care professionals. With presentations created to enhance clinician skills with up-to-date diagnostic and management strategies, the format includes interactive case-based discussions and time for questions and answers. Technology will allow audience participation. This year's conference will be informative, collaborative, stimulating, and in a format constructed to make learning stick.

Registration hosted [here](#):

Colorado Chapter

American Academy of Pediatrics 
DEDICATED TO THE HEALTH OF ALL CHILDREN®
