

32nd Annual O'Neil Pediatric Clinical Update

September 28, 2023

In-person Conference or Virtual via Zoom

Children's Hospital Colorado
Anschutz Medical Campus
Aurora, Colorado

Provided by Division of Patient Care Services / Professional Development Department

Overview, Target Audience and Learner Outcome

This conference focuses on assessment and management of common pediatric conditions in hospital, ambulatory and community settings. Current clinical issues and implications for children's health and practitioner care delivery are presented and discussed.

Interprofessional participation is encouraged for RNs, advanced practice providers, child life specialists, medical assistants, OTs, PTs, RTs, social workers, students, EMS providers and others interested in improving the care of infants, children, and youth.

After attending this educational offering, participants will report increased knowledge of current and emerging trends in pediatric healthcare and report at least one practice change they intend to make as a result of this new knowledge.

Continuing Education Credit

Registration, attendance, sign-in and submission of the evaluation, including a written response to questions related to any change in practice that you may make as a result of learning that took place at this activity, are required for successful completion and receipt of the certificate of attendance. Claim only those hours you attend.

Children's Hospital Colorado is approved with distinction as a provider of nursing continuing professional development by Colorado Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. This offering for 7 nursing contact hours is provided by Children's Hospital Colorado.

Please note: The first session, Supporting Gender Expansive Youth and Families will not be available for streaming to virtual participants. Virtual attendees may join the conference at 9:30am. These participants will receive 5.25 nursing contact hours.
