Lakewood, CO 80228

**Good Samaritan Medical Center**  
200 Exempla Circle  
Lafayette, CO 80026

Provided by

Children's Hospital Colorado

In collaboration with

## OVERVIEW, TARGET AUDIENCE AND LEARNER OUTCOME

This mini conference is for interdisciplinary healthcare team members caring for pediatric patients in an emergency and pre-hospital setting. As a result of this session, learners will be able to report new knowledge and intent to change practice in order to provide current, evidence-based care to pediatric patients in an emergent setting.

## OBJECTIVES

- Review common assessment techniques in pediatrics.
- Identify strategies to manage an MCI event with pediatric patients.
- Identify pediatric transport restraint techniques.
- Demonstrate key pediatric clinical care skills including suctioning, airway management, IV access and rapid fluid administration.

## CONTINUING EDUCATION CREDIT

Registration, attendance, sign-in and submission of the evaluation, including a written response to questions related to any change in practice that you may make as a result of learning that took place at this activity, are required for successful completion and receipt of the certificate of attendance. Claim only those hours you attend.

**Nursing:** Children's Hospital Colorado is approved with distinction as a provider of nursing continuing professional development by the Colorado Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. This educational activity for 4 nursing contact hours is provided by Children's Hospital Colorado.

**EMS:** Children's Hospital Colorado is a State of Colorado recognized EMS Training Group (CO-049) and will provide 4 continuing education credits for all pre-hospital providers.

**Other:** A general certificate of attendance will be available.
