

25th Annual Pediatric Infectious Diseases Update

November 1, 2023

Exhibitor Prospectus

Welcome

Dear Exhibitor,

On behalf of Children's Hospital Colorado, Pediatric Infectious Diseases, we are pleased to announce the upcoming **25th Annual Pediatric Infectious Diseases Update**, which will be held at Children's Hospital Colorado on **November 1, 2023**.

This conference presents topics of interest to pediatric, family practice, infectious diseases clinicians, and other health professionals. Speakers cover the most recent information on diagnosis, management, and prevention of infections in pediatrics. Discussion of controversial issues and questions follow each presentation. Information will be delivered by subject matter experts through case-based presentations and in-depth discussions including question and answer sessions geared to increase knowledge, performance, and patient outcomes. We expect 100 in-person attendees and 50 virtual attendees.

We recognize these types of educational programs would not be possible without your support and understand that the exhibit/display fee shall be used solely to offset the costs related to the exhibit space and may not be used to fund hospitality and/or gifts and prizes included in the event. We invite you to participate in this educational activity.

In support of ACCME guidelines, on-site exhibitors and electronic promotional materials and activities will be separate from the education program space.

If you are interested in participating in this course, please visit the [registration site](#) for:

- Complete conference and registration details
