Learning Objectives

1. Discuss and expand our understanding of the current youth mental health landscape and the mental-physical divide in pediatric healthcare.
2. Gain insight into the application of quality and process improvement (PI) methodologies within pediatric mental healthcare.
3. Explore and examine operational, sustainability and health equity considerations in pediatric mental health, as well as strategies to improve access.

Target Audience

Physicians, Nurses, and Allied Healthcare professionals.

Accreditation Statement

Children's Hospital Colorado is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Credit Designation

Medical: Children's Hospital Colorado is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.
