

27th Annual Pediatric Infectious Diseases Update

November 5, 2025

Children's Hospital Colorado

Exhibitor Prospectus

Dear Exhibitor,

On behalf of Children's Hospital Colorado, Pediatric Infectious Diseases, we are pleased to announce the upcoming **27th Annual Pediatric Infectious Diseases Update, Wednesday, November 5th**, at Children's Hospital Colorado.

This conference on pediatric infectious diseases will cover topics of interest to pediatricians, family physicians, and other primary care providers for children and young adults. Speakers cover the most recent information on diagnosis, management, and prevention of infections in pediatrics. Discussion of controversial issues and questions follow each presentation. This conference is designed for pediatricians, family physicians, and other primary care providers for children and young adults.

We recognize these types of educational programs would not be possible without your support and understand that the exhibit/display fee shall be used solely to offset the costs related to the exhibit space and may not be used to fund hospitality and/or gifts and prizes included in the event. In support of ACCME guidelines, on-site exhibitors and electronic promotional materials and activities will be separate from the education program space.

We invite you to participate in this educational activity at a one day exhibit rate of \$750.

If you are interested in participating in this course, the following information can be found on our registration site.
