

NEUROLOGY – HYBRID CONFERENCE

Brainstorming: A Primary Care Guide to Pediatric Neurology

March 4, 2026

Children's Hospital Colorado
Anschutz Medical Campus
2nd floor, Conference and Education Center

Provided by

Children's Hospital Colorado, Neurology Department

Overview and Target Audience

This conference on pediatric neurology is specifically tailored for primary care providers and anyone taking care of patients with neurologic issues. The presentations will offer essential updates and practical guidance to enhance recognition, initial management, and appropriate referrals of common neurological issues in children. The conference will equip providers with the confidence to conduct effective screening exams, understand the red flags necessitating a prompt subspecialty referral, and implement evidence-based initial treatment plans, fostering a seamless and collaborative approach to pediatric neurological care.

Target audience: primary care providers, including pediatricians, family medicine physicians, nurse practitioners, physician assistants, and registered nurses along with anyone caring for pediatric patients with neurologic conditions. Live-In Person or Virtual Option provided.

Brainstorming: A Primary Care Guide to Pediatric Neurology

Objectives

Following the presentations, attendees should be able to:

- Identify common causes of dizziness, headaches, and paroxysmal movements in children and apply appropriate diagnostic and initial management strategies.
- Differentiate between epileptic and non-epileptic seizures and describe initial approaches to common childhood epilepsy syndromes.
- Recognize symptoms and pathophysiology of autonomic dysfunction and implement basic management strategies in primary care settings.
- Describe gait abnormalities and functional seizure presentations in pediatric patients and determine when referral to neurology is warranted.
- Explain the role of pediatric neuropsychologists and identify appropriate indications and processes for referral to neuropsychological evaluation.

Continuing Education Credit

Children's Hospital Colorado is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Children's Hospital Colorado designates this live activity for a maximum of 6.5 *AMA PRA Category 1 Credit(s)*™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Others

A general certificate of attendance will be available after the completion of the online evaluation.

Registration - Live or Virtual Fees

Registration is Online - [Register Here](#)

Community Provider MD/DO - \$150.00

Community Advanced Practice Provider - \$50.00

Community Nursing - \$0.00

All Others - \$0.00

Children's Colorado - \$0.00

Registration is required.

Cancellation Policy: The Planning Committee reserves the right to alter the agenda or cancel the conference in the event of an unforeseen circumstance.

Online refunds may be processed through February 18, 2026.

After this date no refunds will be granted for non-attendance.

Zoom link provided 1-3 days prior to the conference.

Wednesday March 4, 2026

7:30 am	Continental Breakfast
8:00 am	Welcome - Introduction to Neurology at Children's Colorado <i>Kevin Ess, MD</i> Referral Process for Neurology <i>Mona Jacobson CPNP</i>
8:30 am	Don't get thrown off balance: The diagnosis and management of pediatric dizziness <i>Chris Latimer, MD</i>
9:30 am	The A, B, Seize of pediatric neurology: Seizures Basics in children <i>Hannah Gilbert, MD</i>
10:00 am	Break
10:15 am	Evidence based evaluation and treatment of pediatric headache and migraine <i>Marcy Yonker, MD FAHS</i>
11:00 am	POTS: The ups and downs (mostly downs) of orthostatic intolerance <i>Julia Mackendrick, CPNP</i>
12:00 pm	Lunch - Provided
1:00 pm	Wiggles, jitters, and jerks: A clinical framework for paroxysmal movement in infancy <i>Elizabeth Troy, MD</i>
1:30 pm	Walk the way: A guide to gait abnormalities <i>Michele Yang, MD</i>
2:00 pm	Break
2:15 pm	Functional not fictional seizures: the fine art of threading the clinical needle <i>Chelsey Stillman, PA-C</i>
3:00 pm	Bridging the brain and behavior: The role of pediatric neuropsychology in medical care <i>Yasmine Botto, PhD</i> <i>Ashley Nguyen-Martinez, PsyD</i>
3:45 pm	Closing - Evaluation - Adjourn

Planning Committee

Kevin Ess, MD

Professor of Pediatrics
University of Colorado School of Medicine
Section Head - Neurology - Children's Hospital Colorado

Mona Jacobson, CPNP

Senior Instructor in Pediatrics
University of Colorado School of Medicine
Children's Hospital Colorado

Faculty

Yasmine Botto, PhD

Assistant Professor of Pediatrics
University of Colorado School of Medicine
Children's Hospital Colorado

Hannah Gilbert, MD

Assistant Professor of Pediatrics
University of Colorado School of Medicine
Children's Hospital Colorado

Chris Latimer, MD

Assistant Professors of Pediatrics
University of Colorado School of Medicine
Children's Hospital Colorado

Ashley Nguyen-Martinez, PsyD

Assistant Professor of Pediatrics
University of Colorado School of Medicine
Children's Hospital Colorado

Julia Mackendrick, CPNP

Instructor in Pediatrics
University of Colorado School of Medicine
Children's Hospital Colorado

Chelsey Stillman, PAC

Assistant Professor of Pediatrics
University of Colorado School of Medicine
Co-director of the Pediatric to Adult Epilepsy Transition
Children's Hospital Colorado

Elizabeth Troy, MD

Assistant Professor of Pediatrics
University of Colorado School of Medicine.
Associate Program Director, Child Neurology Residency
