January 16<sup>th</sup>, 2025 | 7:45 am-3:15 pm Check-in 7:30 AM - 7:45 (Please arrive by 7:45 am)  
Children's Hospital Colorado, Conference Center- 2<sup>nd</sup> floor Mt. Princeton and Mt. Yale  
13123 E. 16<sup>th</sup> Ave, Aurora, CO 80045

## Faculty

Jessica Dawson, MSN, RN, CPN, Ventilator Care Program Clinical Program Coordinator  
Andria Redman, BSN, RN, NCSN- Education Coordinator School Health Team  
Julie Wilken, MPS, RN, NCSN- Manager School Health Team

## Overview, Target Audience, and Learner Outcome

This educational program is designed for school health nurses who care for medically complex children and will include evidence-based practices for the daily care of pediatric patients with tracheostomy care and emergency response, ventilator and oxygen management, central venous catheter (CVC) care and maintenance and safe delegation practices within interdisciplinary teams. It includes both didactic instruction, case-based scenarios, and hands-on skills training. Upon completion of the program, participants will report increased knowledge and an intent to apply this learning to their practice when caring for a student with oxygen therapy, tracheostomies, ventilators and CVCs in the school environment. They will also report an increase in comfort in delegating these tasks to a UAP in the school setting.

## Continuing Education Credits

Attendance, sign-in and submission of the evaluation, including a written response to questions related to any change in practice that you may make as a result of learning that took place at this activity, are required for successful completion and receipt of the certificate of attendance.

Children's Hospital Colorado is approved with distinction as a provider of nursing continuing professional development by Colorado Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. This offering for 6 nursing contact hours are provided by Children's Hospital Colorado.

## Disclosures

Planners, faculty, and others in control of content (either individually or as a group) have no relevant financial relationships with ineligible companies.

## Registration Information

Please visit Continuing Education at Children's Hospital Colorado to register. Registration closes Wednesday, January 14, 2025. You will receive a confirmation email shortly after completing the registration process.
