# Pediatric Skills Stations | Pueblo, CO

## Overview and Target Audience

This activity is for interdisciplinary healthcare team members caring for pediatric patients in an emergency and pre-hospital setting. Through hands-on skill stations and case-based learning, participants will strengthen their ability to perform critical pediatric interventions.

## Learner Outcomes

After attending this education, learners will report increased knowledge of assessment and treatment principles for common pediatric emergencies. Learners will be expected to successfully demonstrate key pediatric clinical care skills including airway management, IV/IO access, fluid resuscitation, sepsis treatment, medication administration and pediatric resuscitation principles.

## Registration

Registration for these skill stations is still required, even if you have already registered for the Pediatric Emergency and Trauma Outreach Symposium. Register by [clicking here](#) or by scanning the QR code.

## Agenda

### Wednesday, April 29, 2026

- 1:45 p.m. Welcome and Introductions
- 1:50 **Pediatric Skills Station** (30 minutes each)
