Pediatric Education Day | Alamosa, CO

Overview and Target Audience

This activity is for interdisciplinary healthcare team members caring for pediatric patients in an emergency hospital setting. We will provide clinical updates and address current topics relevant to the care for sick and injured pediatric patients.

This education day will be held at San Luis Valley Regional Medical Center with only an in-person attendance option. No recordings or virtual links will be provided for this education event.

Learner Outcome

At the conclusion of the education day, learners will demonstrate increased knowledge related to the care of pediatric patients in an ED setting as evidenced by an increased confidence score. Learners will also demonstrate improved clinical competence and confidence in performing selected hands-on skills specific to caring for pediatric patients as evidenced by return demonstration.
