Pediatric Education Day | Laramie, WY

Overview and Target Audience

This activity is for interdisciplinary healthcare team members caring for pediatric patients in a variety of settings. We will provide clinical updates and address current topics relevant to care for pediatric patients.

Learner Outcome

At the conclusion of the education day, learners will:

- Demonstrate increased knowledge related to the care of pediatric patients as evidenced by improvements in pre-post confidence scores.
- Demonstrate improved clinical competence in performing selected hands-on skills specific to caring for pediatric patients as evidenced by return demonstration.
