

LIVE HYBRID ACTIVITY

Synapses and Symptoms: Navigating Pediatric Neurology in Primary Care

Wednesday, March 3, 2027

Children's Hospital Colorado | Anschutz Medical Campus | Medical Conference and Education Center - Mt. Yale
13123 East 16th Avenue | Aurora, CO 80045 – Virtual learners will receive a virtual link prior to the event.

This conference is a live in-person activity with a virtual option and designed for primary care providers, including pediatricians, family medicine physicians, nurse practitioners, physician assistants, and registered nurses along with anyone caring for pediatric patients with neurologic conditions.

AMA PRA Category 1 Credit(s)™ - CME credit available.

Many certifying organizations will accept "verification of attendance" at an AMA PRA Category 1 Credit(s)™ accredited activity. Check with your specific certifying organization for rules related to acceptance of submitted AMA continuing education credits.

Synapses and Symptoms: Navigating Pediatric Neurology in Primary Care - 2027

Overview and Target Audience

This conference on pediatric neurology is specifically tailored for primary care providers and anyone taking care of patients with neurologic issues. The presentations will offer essential updates and practical guidance to enhance recognition, initial management, and appropriate referrals of common neurological issues in children.

Target Audience: Primary care providers, including pediatricians, family medicine physicians, nurse practitioners, physician assistants, and registered nurses along with anyone caring for pediatric patients with neurologic conditions.

Objectives

Following the presentations, attendees should be able to:

- Identify emerging treatment for childhood headaches.
- Recognize common epilepsy syndromes and abnormal movements in infancy and childhood and describe initial approaches.
- Recognize symptoms and pathophysiology of PANS/PANDAS and implement basic management strategies in primary care settings.
- Review perinatal hypoxic ischemic encephalopathy and discuss PCP role in management.
- Explain the role of genetic testing in children with developmental delays.

Agenda - Wednesday March 3, 2027

7:30 a.m.	Check in - Continental Breakfast
8:00	Welcome—Introduction to Neurology at Children’s Colorado Kevin Ess, MD
	Referral Process for Neurology Mona Jacobson CPNP
