

SPN Education Series: The empowered, thriving pediatric nurse

Monday October 19, 2026
12 pm – 1 pm, MT
Virtual Educational Offering

Faculty

Lisa M. Peters, MN, RN, NEA-BC
Magnet Program Director

Overview, Target Audience, and Learner Outcomes

This program is being jointly provided by Children's Hospital Colorado and the Rocky Mountain Society of Pediatric Nurses. All RNs are invited to attend.

Come and learn with us opportunities for pediatric nurses to thrive, rather than simply survive. At the end of this session, pediatric nurses will be able to self-report increased evidence-based knowledge of the 'why' professional practice excellence matters and identify practical 'ways' to engage as an empowered nurse in a thriving practice environment.

Continuing Education Credit

Attendance and completion of the course evaluation are required for successful completion and receipt of the certificate of attendance.

Children's Hospital Colorado is approved with distinction as a provider of nursing continuing professional development by Colorado Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. This offering for **1 NCPD contact hour** is provided by Children's Hospital Colorado.

Financial Disclosure

Planners, faculty, and others in control of content (either individually or as a group) have no relevant financial relationships with ineligible companies.

Registration and Contact Information

No registration fee required. Register at <https://ce.childrenscolorado.org/> for this free educational event. For further information, please contact Julie Husman, BSN, RN at Julie.husman@childrenscolorado.org.
