

School Nurse Update: Managing Type 1 Diabetes

Friday, October 9th, 2026, 1:00 - 3:00 pm ZOOM

<https://us06web.zoom.us/j/85445554300>

Faculty

Children's Hospital Colorado Briargate Diabetes Center

Overview and Target Audience

This virtual educational activity is designed to enhance the knowledge of school nurses and childcare health consultants in the management of students with Type 1 diabetes, current evidence-based practices, diabetes technologies, nutritional strategies, psychosocial considerations, and collaborative school-healthcare partnerships that support optimal health outcomes and academic success.

Target Audience: School Nurses, Child Care Health Consultants, Registered Nurses, and other healthcare professionals involved in the care and support of school-aged children with Type 1 diabetes.

Learning Outcomes

Upon completion of this activity, participants will be able to:

- Report increased knowledge of the school nurse's role in supporting safe diabetes management in the school setting.
- Report increased knowledge in recognizing psychosocial concerns and identifying appropriate school-based support and referral processes.
- Correctly identify factors affecting glucose management and select appropriate interventions in quiz questions and case-based scenarios.

Nursing Continuing Professional Development Credit

Registration, sign-in, attendance, and submission of the evaluation, including a written response to questions related to any change in practice that you may make due to learning that took place at this program, are required for successful completion and receipt of the NCPD credit certificate of attendance.

Children's Hospital Colorado is approved with distinction as a provider of nursing continuing professional development by Colorado Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. This educational offering for 2 nursing contact hours is provided by Children's Hospital Colorado.

Disclosures: Planners and faculty in control of content have no relevant financial relationships with ineligible companies.
