## Learning Objectives

1. Apply foundational and advanced quality improvement methodologies and tools to design and implement improvement initiatives.
2. Analyze successful QI projects to identify key factors that contribute to their success and sustainability and apply the learnings to their own projects and initiatives.

## Agenda

### **Poster Session**

*Mt. Yale and Mt. Princeton (10:00 a.m. – 12:00 p.m.)*

The poster session will showcase nearly 80 posters highlighting improvement projects implemented in the hospital over the past two years.

### **Podium Presentations**

*Mt. Oxford and Virtually via Zoom (12:00 p.m. – 1:30 p.m.)*

This year's Top Poster recipients will present their quality improvement projects, discussing implementation, impact, and lessons learned.

### **Breakout Sessions**

*In-person at the Conference Center and Virtually via Zoom (1:40 p.m. – 3:00 p.m.)*

The breakout sessions will offer a range of quality improvement topics tailored to both introductory and intermediate/advanced levels. These sessions will be facilitated by process improvement specialists and subject matter experts.

#### **Breakout Sessions:**

1. Voices of Parent Partners: Collaborative Insights on Quality Improvement
2. Turning Data into Insight: Introduction to QI Data Visualization
3. Managing Change to Drive Improvement
