

CARE NETWORK DESIGNATED PROVIDER ONGOING EDUCATION

PRESENTED BY THE KEMPE CENTER

CARE NETWORK MEDICAL ECHO

Session #8: Growth Faltering (Previously Known as Failure to Thrive) Overview

Session Location: <https://ucdenver.zoom.us/j/94223234963>

Tuesday, April 26, 2022 (12:00 PM- 1:00 PM MT)

Overview and Target Audience

This ECHO series training will provide CARE Network medical designated providers with evidence-based guidelines for care and improve both access and quality of care for patients. Providers will have the opportunity to learn new referral processes and system-based protocols for working with other family-serving agencies, such as social services, law enforcement and the courts. A major goal of the ECHO sessions will be to promote interdisciplinary practice and collaboration among systems. Sessions will also include case presentations and discussion.

Learner Outcome

After attending this event, participants will self-report increased knowledge of how to perform evidence-based high-quality medical exams and behavioral health assessments using standard guidelines. Participants will also report increased knowledge related to collaborating with non-medical professionals working on multidisciplinary teams to address child maltreatment.

Objectives

- Explain the diagnosis of Growth Faltering (vs. FTT).
- Identify online resources for assessing malnutrition.
- Identify factors that may contribute to Growth Faltering.
- List some next steps for evaluating a child with Growth Faltering.
- Identify indications for reporting to DHS.

Financial Disclosures

Planners, faculty, and others in control of content (either individually or as a group) have no relevant financial relationships with ineligible companies.
