

CHILDREN'S HOSPITAL COLORADO PRESENTS

Pediatric Emergency Education Lecture Series: Pediatric Structural Congenital Heart Disease Basics – Stages of Palliation and Stabilization

Friday, September 9th, 2022 • 9am-10am

Teleconference (Zoom Link sent day before the session for registered participants)

Overview, Target Audience and Learner Outcome

This activity for the interdisciplinary healthcare team will include a review of current literature for the evaluation, treatment and management of pediatric patients encountered in the prehospital or emergency setting. EMS Providers and nurses working in the prehospital or emergency setting will benefit from this education. As a result of this activity, learners will be able to self-report new knowledge related to pediatric congenital heart disease.

Objectives

- Identify stages of palliation in structural congenital heart disease and their “well” vs “unwell” physiologic states and exam findings.
- Describe the management of “tet spells”.
- Recognize and discuss management for decompensation in patients with single ventricle physiology in various stages of palliation.
- Discuss the management for infants with new-onset ductal-dependent cardiac lesions.

Faculty from Children's Hospital Colorado / University of Colorado

Jonathan Higgins, MD
Emergency Department
Children's Hospital Colorado

Continuing Education Credit

Registration, attendance, sign-in and submission of the evaluation, including a written response to questions related to any change in practice that you may make as a result of learning that took place at this program, are required for successful completion and receipt of the certificate of attendance. Claim only those hours you attend.

Nursing

Children's Hospital Colorado is approved as a provider of nursing continuing professional development by Colorado Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. This educational offering for 1 nursing contact hour is provided by Children's Hospital Colorado.

EMS

Children's Hospital Colorado is an approved provider of EMS continuing education through the Colorado Department of Public Health and Environment, Health Facilities and Emergency Medical Services Division. Children's Hospital Colorado is EMS Training Group #EO49. This education offering is good for 1 CE hour.

Disclosures Planners, faculty, and others in control of content (either individually or as a group) have no relevant financial relationships with ineligible companies.
