Overview, Target Audience and Learner Outcome

Dr. Rushton will be focusing on how to transform moral suffering in healthcare. She will explain how to shift our mindset to restore trust and improve relationships with ourselves and others. Lastly, Dr. Rushton will provide guidance on how to be the nurses we are meant to be. All nurses, nurse leaders and other clinical team members are invited to attend. After taking part in this event, participants will report increased knowledge on strategies to develop moral resilience and increase trust and report. Participants will report at least one change they will implement to transform themselves and their clinical practice in ways that more authentically reflect their character, intentions, and values.

Continuing Education Credit

Registration, attendance, sign-in and submission of the evaluation are required for successful completion and receipt of the certificate of attendance.

Children's Hospital Colorado is approved with distinction as a provider of nursing continuing professional development by Colorado Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. These offerings, each for 4.5 nursing contact hours, are provided by Children's Hospital Colorado.

A certificate of attendance will be provided to other participants.
