

CHILDREN'S HOSPITAL COLORADO PRESENTS

Virtual Education Series: Common Issues in Pediatric Travel Medicine

Thursday, June 15, 2023 • 12 to 1 p.m.

Teleconference (Zoom link sent with registration)

Overview, Target Audience and Learner Outcome

This activity for the interdisciplinary healthcare team will include a review of current literature and clinical pathways followed by Children's Hospital Colorado for the evaluation and treatment involved with pediatric travel. In addition to a presentation from content experts, attendees will participate in case study review and discussion to provide direction on clinical practice. As a result of this activity, learners will be able to report new knowledge related to common infectious disease travel issues in order to provide current, evidence-based care to pediatric patients.

Objectives

- Describe major components of pre-travel care for children traveling internationally
- Identify travel vaccine recommendations and contraindications
- Discuss can't miss infectious disease diagnoses in the returning travel
