

CHILDREN'S HOSPITAL COLORADO PRESENTS

Virtual Education Series: Management of Pediatric Respiratory Syndromes Across the Care Continuum

Thursday, August 17, 2023 • 12 to 1 p.m.

Teleconference (Zoom link sent with registration)

Overview, Target Audience and Learner Outcome

This activity for the interdisciplinary healthcare team will include a review of current literature and clinical pathways followed by Children's Hospital Colorado for the evaluation and treatment of pediatric respiratory syndromes. In addition to a presentation from content experts, attendees will participate in case study review and discussion to provide direction on clinical practice. As a result of this activity, learners will be able to report new knowledge related to management of respiratory syndromes in order to provide current, evidence-based care to pediatric patients.

Objectives

- Review the airway and signs/symptoms of respiratory distress in pediatric patients
- Discuss the causes and standard treatment of common pediatric respiratory diseases
- Review escalation of care of pediatric respiratory emergencies including triggers for transferring patients and changing levels of support
