OBJECTIVES:

1. Review current information about tobacco, nicotine, and e-cigarettes (vapes)
2. Examine available data regarding the use of tobacco and e-cigarette products by youth
3. Analyze medical evidence of the risks of e-cigarette use and whether there is benefit in cigarette smoking cessation
4. Assess current national & statewide governmental regulations & actions around e-cigarette sales & public use
5. Formulate action steps for how we can help prevent harm from tobacco and e-cigarette products

Overview, Target Audience and Learner Outcome:

The team caring for pediatric patients requires ongoing, focused training to successfully manage specialized and/or complex pediatric issues. This educational series will cover a variety of topics specific to the pediatric patient population. Physicians, Advanced Practice Providers, Nurses and Nursing Students, Respiratory Therapists, EMS Providers, Pediatricians, and other interested community pediatric healthcare providers will benefit from this education. After attending the educational event, the learner will report increased confidence and understanding of how to care for pediatric patients and increased knowledge of available resources to manage specialized and/or complex pediatric issues.

Disclosures:

Planners, faculty, and others in control of content (either individually or as a group) have no relevant financial relationships with ineligible companies.

Continuing Education Credit:

Continuing Medical Education: Children's Hospital Colorado is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. Children's Hospital Colorado designates this Live activity for a maximum of 1.0 *AMA PRA Category 1 Credit(s)™*. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Nursing Continuing Professional Development: Children's Hospital Colorado is approved with distinction as provider of nursing continuing professional development by Colorado Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. This educational activity for 1.0 nursing contact hour is provided by Children's Hospital Colorado. Registration, attendance and completion of the evaluation are required to obtain NCPD contact hours.

EMS: Children's Hospital Colorado is a Colorado State EMS Training Group: CO-049.

Others: A general certificate of attendance will be provided to all other attendees.

Attendance Confirmation is Required

Dear COS Pediatric Grand Rounds Participants, attendance confirmation, evaluation, and credit for this activity is online. In order to obtain educational credits, please do the following:

1. Pre-register for the respective session on the CHCO Continuing Education portal.
<https://ce.childrenscolorado.org/rss-cos-pgr-2024>
2. Confirm attendance via SMS Process or website with provided code.
3. If you don't have a profile in Continuing Education @ Children's Hospital Colorado, our new learning management system, you will be prompted to create one with your preferred email address to proceed. Please do not create multiple profiles.
4. A confirmation e-mail with instructions to access the evaluation will be provided.
5. After the activity, complete the activity evaluation to obtain CE Credits.
6. Your transcript will be credited, and your personal educational file is accessible 24/7
