Pediatric CCRN Review Course

OVERVIEW AND TARGET AUDIENCE

This course is designed for nurses in the pediatric critical care setting who are interested in furthering their education and helps prepare them to take the pediatric CCRN exam.

LEARNER OUTCOME

After attending this educational event, participants will report increased knowledge and confidence in being prepared for the CCRN exam. At least 25% of participants will report intent to take the CCRN exam in the next 6-months.

CONTINUING EDUCATION CREDIT

Nursing: Children's Hospital Colorado is approved with distinction as a provider of nursing continuing professional development by Colorado Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. This offering for 13.5 nursing contact hours is provided by Children's Hospital Colorado. An evaluation with intent to change practice must be completed within 14-days to obtain a certificate.
