University of Colorado School of Medicine

Laura Marrs, MD

Assistant Professor
Section of Neonatology
University of Colorado School of Medicine

Paula Dias Maia, MD

Neonatal-Perinatal Fellow
Section of Neonatology
University of Colorado School of Medicine

Overview, Target Audience, and Learner Outcomes

The NNP Grand Rounds are designed to provide NNPs in the organization and community with education on current evidence-based and professional practice updates specific to the NNP role to incorporate into practice. The sessions will cover knowledge, skill, and practice updates for the NNP role. After attending this event, the learner will report increase knowledge on current evidence-based and professional practice specific to the neonatal nurse practitioner role.

Lecture Objectives:

1. Recognize international trends in extreme prematurity resuscitation and care and local philosophy.
2. Discuss major medical outcomes of a novel approach to extreme prematurity at altitude.
3. Report initial cardiovascular and pulmonary successes and growth areas for the debut experience of the STORK team operational guideline.
4. Examine process improvement and future directions of the STORK Team.

Continuing Education Credit

Attendance, sign-in and submission of the evaluation, including a written response to questions related to any change in practice that you may make as a result of learning that took place at this activity, are required for successful completion and receipt of the certificate of attendance.

Children's Hospital Colorado is approved with distinction as a provider of nursing continuing professional development by Colorado Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. This offering for 1 nursing contact hour is provided by Children's Hospital Colorado.
