

CHILDREN'S HOSPITAL COLORADO PRESENTS

Virtual Education Series: Down Syndrome: Medical and Neurodevelopmental Updates for Healthcare Clinicians

Thursday, March 20, 2025 • 12 to 1 p.m.

Teleconference (Zoom link sent with registration)

Overview, Target Audience and Learner Outcome

This activity for the interdisciplinary healthcare team will include a review of current literature and clinical pathways followed by Children's Hospital Colorado for the care of pediatric patients with Down syndrome. In addition to a presentation from content experts, attendees will participate in case study review and discussion to provide direction on practice. As a result of this activity, learners will be able to report new knowledge related to Down syndrome in order to provide current, evidence-based care to pediatric patients.

Objectives

- Discuss the current healthcare guidelines for children with Down syndrome
- Describe screening, diagnosis, and interventions for common medical and developmental issues that are encountered in Down syndrome
- Review information about the Sie Center for Down syndrome and available resources to further knowledge in care of a child with Down syndrome

Faculty from Children's Hospital Colorado / University of Colorado

Nicole Baumer, MD, MEd

Visiting Associate Professor of Neurology

University of Colorado School of Medicine
