OBJECTIVES:

1. Identify the epidemiology of pediatric autopsy report review with families.
2. Define the current state and future directions of the Post-Mortem Communication Pilot, a local approach to decedent and family care at Children's Hospital Colorado – Colorado Springs.
3. Discuss the impact of the Post-Mortem Communication Pilot on families, health care team members, and communities in Southern Colorado.

Overview, Target Audience and Learner Outcome:

The team caring for pediatric patients requires ongoing, focused training to successfully manage specialized and/or complex pediatric issues. This educational series will cover a variety of topics specific to the pediatric patient population. Physicians, Advanced Practice Providers, Nurses and Nursing Students, Respiratory Therapists, EMS Providers, Pediatricians, and other interested community pediatric healthcare providers will benefit from this education. After attending the educational event, the learner will report increased confidence and understanding of how to care for pediatric patients and increased knowledge of available resources to manage specialized and/or complex pediatric issues.

Disclosures:

Planners, faculty, and others in control of content (either individually or as a group) have no relevant financial relationships with ineligible companies.

Continuing Education Credit:

Continuing Medical Education: Children's Hospital Colorado is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. Children's Hospital Colorado designates this Live activity for a maximum of 1.0 *AMA PRA Category 1 Credit(s)™*. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Nursing Continuing Professional Development: Children's Hospital Colorado is approved with distinction as provider of nursing continuing professional development by Colorado Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. This educational activity for 1.0 nursing contact hour is provided by Children's Hospital Colorado. Registration, attendance and completion of the evaluation are required to obtain NCPD contact hours.

EMS: Children's Hospital Colorado is a Colorado State EMS Training Group: CO-049.

Others: A general certificate of attendance will be provided to all other attendees.

Attendance Confirmation is Required

Dear COS Pediatric Grand Rounds Participants, attendance confirmation, evaluation, and credit for this activity is online. In order to obtain educational credits, please do the following:

1. Pre-register for the respective session on the CHCO Continuing Education portal.
