

CHILDREN'S HOSPITAL COLORADO PRESENTS

Virtual Education Series: Height: The Fifth Vital Sign. A Practical Approach to the Evaluation of Growth

Thursday, June 18, 2026 • 12 to 1 p.m.

Teleconference (Zoom link sent with registration)

Overview, Target Audience and Learner Outcome

This activity for the interdisciplinary healthcare team will include a review of current literature and clinical pathways followed by Children's Hospital Colorado for growth disorders. In addition to a presentation from content experts, attendees will participate in case study review and discussion to provide direction on practice. As a result of this activity, learners will be able to report new knowledge related to growth disorders in order to provide current, evidence-based care to neonatal patients.

Objectives

- Review differences between normal and abnormal growth patterns
- Describe when to refer patients for further evaluation of growth

Faculty from Children's Hospital Colorado / University of Colorado

C. Maggie Chan, MD

Associate Professor of Clinical Practice

University of Colorado School of Medicine

Attending Endocrinologist

Children's Hospital Colorado

Continuing Education Credit
