

CHILDREN'S HOSPITAL COLORADO PRESENTS

Virtual Education Series: Spine Trauma

Thursday, April 16, 2026 • 12 to 1 p.m.

Teleconference (Zoom link sent with registration)

Overview, Target Audience and Learner Outcome

This activity for the interdisciplinary healthcare team will include a review of current literature and clinical pathways followed by Children's Hospital Colorado for pediatric spine trauma. In addition to a presentation from content experts, attendees will participate in case study review and discussion to provide direction on practice. As a result of this activity, learners will be able to report new knowledge related to spine trauma in order to provide current, evidence-based care to pediatric patients.

Objectives

- Review general principles around pediatric spine trauma.
- Discuss specific spinal injuries and general management principles.
- Describe updates and pending changes to spine trauma management.

Faculty from Children's Hospital Colorado / University of Colorado

D. Clay Samples, MD, FAANS

Assistant Professor

University of Colorado School of Medicine

Department of Neurosurgery

Children's Hospital Colorado

Continuing Education Credit

Registration, attendance, sign-in and submission of the evaluation, including a written response to questions related to any change in practice that you may make as a result of learning that took place at this program, are required for successful completion and receipt of the certificate of attendance. Claim only those hours you attend.
