

CHILDREN'S HOSPITAL COLORADO PRESENTS

Virtual Education Series: Crew (Crisis) Resource Management: Communication in Chaos

Thursday, November 19, 2026 • 12 to 1 p.m.

Teleconference (Zoom link sent with registration)

Overview, Target Audience and Learner Outcome

This activity for the interdisciplinary healthcare team will include a review of current literature and clinical pathways followed by Children's Hospital Colorado for the use of Crisis Resource Management principles. In addition to a presentation from content experts, attendees will participate in case study review and discussion to provide direction on practice. As a result of this activity, learners will be able to report new knowledge related to Crisis Resource Management.

Objectives

- Define Crisis Resource Management (CRM).
- Describe why CRM is necessary in medicine.
- Evaluate the application of CRM skills during clinical emergencies.
