### Overview, Target Audience and Learner Outcome

Each 2026 Target Zero Forum presentation will provide data, examine actual CHCO safety events, and explore best practices and cause analysis for CHCO employees, faculty, fellows and residents. As a result of this series, learners will report increased knowledge on safe practices and reducing preventable harm in an ever-changing healthcare environment. Participants will report at least one practice change they intend to make as a result of this education.

### Objectives

- Examine strategies to identify and reduce preventable harm at Children's Hospital Colorado.
- Describe the key success factors for reductions in harm.

### Continuing Education Credit

Registration and completion of the online evaluation within seven days after each presentation is required to receive CE credit.

**Medical:** Children's Hospital Colorado is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.
