## 1. General Information for In-Person Attendees

### a) COVID Guidance

We will follow CDPHE and Eagle County guidance for the conference. As of June 14, 2022, there are no state or county mask mandates or other public health orders that affect our conference. Due to the increased rates of COVID-19 in Colorado and elsewhere within the US, the fact that many vaccinated individuals have reported infections with the currently circulating strain(s), and the fact that we don't want our Infectious Disease Conference to be a super-spreader event, we are requesting that all attendees wear masks during the conference when they are not eating or drinking. We are requesting that you wear a mask regardless of your vaccine status.

We also ask if you are experiencing any symptoms consistent with a SARS-CoV-2 infection (such as fever, cough, sore throat, shortness of breath, URI symptoms, myalgias, loss of taste or smell, gastrointestinal symptoms, headache), please be sure to stay in your room away from others and attend the conference virtually. We advise everyone to pack their Rapid COVID-19 home self-tests in case you start experiencing symptoms.

### b) Sunday Evening Reception

A complimentary wine and cheese reception will be held at 6:40 p.m. immediately following the 5:30 lecture in the Lodge at Vail's Cucina Rustica Restaurant. All participants and a guest are welcome!

### c) Check-in and Check-out times at the Lodge at Vail

- Check-in time is 4:00 p.m.
- LAV check-out time for Friday, August 6 is 12:00 p.m. If needed, the front desk can hold your luggage after you check out.

## 2. Acknowledgements

The 39th Annual Conference on Pediatric Infectious Diseases is supported by an educational grant from:

**Sanofi Pasteur Inc.**

We gratefully acknowledge these exhibitors:

**Abbvie**

**Alexion**

**AstraZeneca**

**BioMérieux**

**Cepheid**

**GlaxoSmithKline**

**Karius Diagnostics**

**Pfizer Inc.**

**Sanofi Pasteur**

**Sobi**

**Takeda**

We also gratefully acknowledge:

**Colorado Department of Public Health and Environment**

**Immunize Colorado**

**Please Visit their Exhibits Monday-Wednesday!**

### 3. Conference Information/Materials

- a) **Vail Information and Activities for In-Person Attendees** - Please visit our new webpage for information you need for your visit to Vail, which includes check-in and check-out times for the Lodge at Vail, transportation, parking, and COVID guidance.

[Vail Information and Activities](#)

- b) **Course materials for all attendees** - Most course materials and handouts will be available by the start of the conference. Since materials will be uploaded as they become available, feel free to periodically visit this site to see what is available for you to download.

[Course Materials](#)

### 4. Technical Guide

- a) **Zoom** – For all virtual attendees and anyone who needs to watch any portion of the conference virtually, please use zoom link below:

<https://ucdenver.zoom.us/j/96687902772>

*Note: Please be sure you have the latest version of zoom installed (5.10.7 or higher). If your zoom client is updated by your IT team, then the latest version will be auto updated . If it's your personal zoom client, please refer to this link for information on updating to the latest version.*

<https://support.zoom.us/hc/en-us/articles/201362233-Upgrading-Zoom-to-the-latest-version>

- b) **Vevox-Audience Response System (ARS)** - We will be using Vevox again this year for our ARS system in some of the lectures. Just simply use your cellphones in one of three ways.

- ❖ Use the QR code provided which will take you directly to the poll without using the session ID.
- ❖ Downloading the Vevox app which will take you directly to the poll (session ID will need to be entered only for the first poll)
- ❖ Simply go to [vevox.com](https://vevox.com) and enter the session ID:128-376-352

## Technical Guide Continued

### c) Attendance Instructions/Code

*Log in with the attendance code once at the beginning of the conference. Please use one of these two easy options to mark your attendance with attendance code **NUGFOY**.*

- Text the attendance code to **720-790-4423** (please be sure you have added your phone number to your registration profile to use this option).
- Go to the Attendance Confirmation Website and enter the attendance code: <https://ce.childrenscolorado.org/code>

### d) Evaluation and Certificate - A certificate of attendance will be available at the end of the conference. Completion of the online evaluation is required. Sunday you will receive an email with instructions to complete the evaluation confirming your attendance.

<https://ce.childrenscolorado.org//node/2629/course-object/4196>

Once you have completed the evaluation for the day ( i.e., Monday, August 1), be sure to choose **“save draft”** so you can pick up where you left off and you can continue to the next day (i.e., Tuesday, August 2). You will **not** click submit until you have completed the evaluation on Friday. If you click submit the first day, then you will not be able to go back and complete the evaluation so please don't forget this important step.

SAVE DRAFT

< PREVIOUS PAGE

NEXT PAGE >

### Important tips!

- Complete an evaluation after each session/day and click **“save draft”**. Do not press submit until Friday!
- Be sure to complete your evaluations early as the evaluation and credit will not be available after **Wednesday, August 31, 2022**.

## 5. Summary of Sunday, July 31<sup>st</sup> Emails

a) **Sunday Emails from [kris.beam@childrenscolorado.org](mailto:kris.beam@childrenscolorado.org):**

- Reminder email with Zoom link for Virtual Attendees
- Reminder email on where to access conference materials
- Email with attendance code
- Email with ClassMarker Exam link for those enrolled in ABP MOC Part 2

b) **Sunday Email from Children's Hospital Colorado Continuing Education ([cechildrenscolorado.org](http://cechildrenscolorado.org)):**

- Email with evaluation link and instructions

---

### Need Help?

Please contact: [kris.beam@childrenscolorado.org](mailto:kris.beam@childrenscolorado.org).

## Continuing Education

### 6. Continuing Education Credit

**Medical:** Children's Hospital Colorado is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Children's Colorado designates this Live activity for a maximum of 21 *AMA PRA Category 1 Credit(s)*<sup>™</sup>. Physicians should only claim credit commensurate with the extent of their participation in the activity.

**AAFP:** The AAFP has reviewed 39th Annual Conference on Pediatric Infectious Diseases and deemed it acceptable for up to 21.00 Live AAFP Prescribed credit(s). Term of Approval is from 7/31/2022 to 8/5/2022. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**AAP:** This continuing medical education activity has been reviewed by the American Academy of Pediatrics and is acceptable for a maximum of 21.00 AAP credits. These credits can be applied toward the AAP CME/CPD Award available to Fellows and Candidate Members of the American Academy of Pediatrics.

**ABP MOC Part 2:** Successful completion of this CME activity, which includes participation in the activity, and individual assessment of and feedback to the learner, enables the learner to earn up to 20 MOC points in the American Board of Pediatrics' (ABP) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit learner completion information to ACCME for the purpose of granting ABP MOC credit.

➤ **MOC ClassMarker Exam (for physicians who signed up for MOC at registration)**

If you signed up for ABP MOC Part 2 credit, a separate email with instructions was previously emailed to everyone enrolled in MOC at the start of the conference. If you did not receive this email, please visit us at the registration desk or email:

## Disclosure of Relevant Financial Relationships

Title of Continuing Education: 39th Annual Conference on Pediatric Infectious Diseases

Date and Location: July 31 - Aug. 5, 2022 - Vail, CO

As a provider of continuing medical education (CME) by the Accreditation Council for Continuing Medical Education and nursing continuing professional development (NCPD) by Colorado Nurses Association, Children's Hospital Colorado ensures balance, independence, objectivity, and scientific rigor in all its CME/NCPD activities.

To comply with CME and NCPD accreditation guidelines, each planner, faculty, content expert and content reviewer in a position to control content of this educational activity are required to disclose all relevant financial relationships.

Dr. Elizabeth McFarland, planner for this educational activity, has disclosed Research Studies Contract to Institution/Gilead Inc. (divested) and Advisory Board/Viiv (divested).

Dr. Samuel Dominguez, planner/faculty for this educational activity, is a consultant/grant support for Biofire Diagnostics; consultant for Karius and DiaSorin Molecular (divested); grant support/Pfizer (divested).

Dr. Edwin Asturias, faculty for this educational activity, has disclosed Research Studies Contract to Institution/Pfizer, Inc. (divested); Data Safety Monitoring Board (DSMB) consultant for Inovio and Curevac (divested); and has received Honoraria as a speaker for Merck (divested).

Dr. Juri Boguniewicz, faculty for this educational activity, has disclosed Research Studies Contract to Institution/AstraZeneca Pharmaceuticals (divested); and has received a speaker Honoraria from MedLearning Group (divested).

Dr. Jessica Cataldi, faculty for this educational activity, is a Board Member for Immunize Colorado (divested).

Dr. Mary Glodé, faculty for this educational activity, is a consultant for Pfizer, Inc. (divested).

Dr. Myron Levin, faculty for this educational activity, has disclosed Research Studies contract to Institution/Janssen and GlaxoSmithKline (divested); and is a consultant for Seqirus, AstraZeneca, Merck Research and Pfizer (divested).

Dr. Sarah Parker, faculty for this educational activity, has disclosed Research Studies Contract to Institution/Pfizer Global Challenges (divested) and independent contractor to institution/Firstline Decision Support (divested).

Dr. Eric Simoes, faculty for this educational activity, has disclosed Research Studies/Contract to Institution/Pfizer Inc, Janssen Inc, AstraZeneca, and Merck (divested); and is on the advisory board for AstraZeneca, Sanofi Pasteur, and Merck (divested); and is a DSMB consultant for Abbvie and GlaxoSmithKline; and a consultant for Sanofi Pasteur (divested).

Dr. Adriana Weinberg, faculty for this educational activity, has disclosed Research Studies/contract to Institution/Merck, GlaxoSmithKline, and Janssen (divested); and receives personal fees from Institution/Merck and Seqirus (divested).

All other planners, faculty, and others in control of content (either individually or as a group) have no relevant financial relationships with ineligible companies.

**All of the relevant financial relationships listed have been mitigated.**

Relevant Financial Relationship	Ineligible Company	Off-Label Use of Products
<p>Financial relationships are relevant if the following three conditions are met for the prospective person who will control content of the education.</p> <ol style="list-style-type: none"> <li>1. A financial relationship, in any amount, exists between the person in control of content and an ineligible company.</li> <li>2. The financial relationship existed during the past 24 months.</li> <li>3. Content of the education is related to the products of an ineligible company with whom the person has a financial relationship.</li> </ol>	<p>is any entity whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients.</p>	<p>Faculty are asked to inform the audience when they are discussing the use of a product (medication, device, etc.) other than for which it was approved by the Food and Drug Administration.</p>

**Criteria for Verifying Participation in this CE Activity**

Participants are required to sign-in for this CE activity to verify their participation in the educational program.

**Criteria for Successful Completion of this CE Activity**

Registration, attendance, sign-in and submission of the online evaluation are required for CE certificate of attendance. Claim only those hours you attend. Evaluation instructions will be emailed, utilizing your registered email profile.

\* Children's Hospital Colorado is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

+ Children's Hospital Colorado is approved as a provider of nursing continuing professional development by Colorado Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.
