PART 2
MOC

THE AMERICAN BOARD of PEDIATRICS

24th Annual Pediatric Infectious Diseases Update

Overview

This conference on pediatric infectious diseases will cover topics of interest to pediatricians, family physicians, and other primary care providers for children and young adults. These include updates on: congenital CMV, influenza, COVID-19, acute otitis media, eosinophilia, and post-viral syndrome.

This conference is designed for pediatricians, family physicians, and other primary care providers for children and young adults.

Objectives

Following the presentations, attendees should be able to:

- Describe the newest information on influenza and COVID-19 prevention, diagnosis, and management
- Discuss pros and cons of screening for congenital CMV
- Demonstrate best practices in the evaluation and management of patients with acute otitis media
- Evaluate patients with eosinophilia
- Manage patients with post-viral syndromes
- Explain recent ACIP Recommendations

Continuing Education Credit

Children's Hospital Colorado is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Children's Hospital Colorado designates this Live activity for a maximum of 8.5 *AMA PRA Category 1 Credit(s)*.™ Physicians should only claim credit commensurate with the extent of their participation in the activity.

ABP MOC Part 2: Successful completion of this CME activity, which includes participation in the activity, and individual assessment of and feedback to the learner, enables the learner to earn up to 8.0 MOC points in the American Board of Pediatrics' (ABP) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit learner completion information to ACCME for the purpose of granting ABP MOC credit.

*Instructions on completing online self-assessment tests will be provided to registrants by e-mail before and after the conference.
