

33rd ANNUAL

O'Neil Pediatric Clinical Update

September 26, 2024

Children's Hospital Colorado | Anschutz Medical Campus | 13123 East 16th Avenue, Aurora, Colorado 80045

Provided by Division of Patient Care Services | Professional Development Department

Overview, Target Audience and Learner Outcome

This conference focuses on assessment and management of common pediatric conditions in hospital, ambulatory and community settings. Current clinical issues and implications for children's health and practitioner care delivery are presented and discussed.

Interprofessional participation is encouraged for RNs, advanced practice providers, child life specialists, medical assistants, OTs, PTs, RTs, social workers, students, EMS providers and others interested in improving the care of infants, children, and youth.

After attending this educational offering, participants will report increased knowledge of current and emerging trends in pediatric healthcare and report at least one practice change they intend to make as a result of this new knowledge.
