Dr. Mary
Krugman
PhD, RN, FAAN

The 6th Annual Nurses Leading the Way Conference is held in honor of Dr. Mary Krugman, PhD, RN, FAAN through an endowed lectureship provided to the CU College of Nursing.

Mary was a visionary nurse who embodied brilliance, compassion, and mentorship. We are privileged to continue her legacy of nursing excellence, drawing inspiration from her legendary impact. Let us strive to follow in her remarkable footsteps and make a difference in the lives of our patients and colleagues.

From Disruption To Direction

OVERVIEW

This interactive leadership keynote explores the emotional intelligence and visionary mindset required to lead through rapid change. Nurse leaders will gain practical approaches for guiding teams through evolving environments, fostering psychological safety, and building cultures ready for transformation. The workshop emphasizes leading with both heart and strategic clarity to sustain confidence and momentum across complex systems.

TARGET AUDIENCE

This workshop is open to nurse leaders, aspiring nurse leaders, educators, and faculty at Children's Hospital Colorado, UHealth, and the University of Colorado College of Nursing.

LEARNER OUTCOME

At the conclusion of this session, learners will be able to define emotionally intelligent leadership strategies to guide teams through change, strengthen cultural alignment, and sustain organizational performance during times of transition.
